

Marketing Technology & Operations Executive

Where Marketing Strategy Meets Technology Execution

Marketing Technology Leader with deep expertise in CRM architecture, marketing automation, systems integration, and data governance across healthcare and SaaS organizations. Over 10 years of experience designing scalable MarTech ecosystems that power analytics, automation, compliance, and omnichannel engagement. Cross-functional in aligning teams with technology strategy and business objectives, enabling clean data flow, campaign measurement, launch readiness, and operational scalability. Experienced in managing platform integrations, data governance, vendor management and coordination, lifecycle and lead scoring, and marketing analytics to support revenue growth and informed decision-making. EXPERIENCE

VENDGOGH (VENDBAY LLC)
Partner, Marketing Lead

US / REMOTE · PART-TIME
APRIL 2022 – PRESENT

- Owned end-to-end marketing strategy and operations for a B2B SaaS vending management platform, building the marketing function from the ground up across technology, data governance, and go-to-market execution.
- Architected and managed the full MarTech stack, selecting and integrating tools across CRM, email automation, social publishing, analytics, and content operations to support scalable acquisition and retention.
 - Designed and enforced data governance standards across marketing systems, ensuring clean data flow, consistent contact records, and reliable attribution from lead capture through conversion.
 - Served as editorial lead and marketing strategist for an AI-powered publishing pipeline integrating Claude, OpenAI, and the Meta API, owning content strategy, review workflows, and campaign distribution across channels.
 - Managed vendor relationships across MarTech, creative, and content partners, owning vendor evaluation, onboarding, and ongoing performance oversight.
 - Led multi-channel campaign execution across organic social, email, and content, establishing brand presence and go-to-market strategy from zero.

HEALTHSNAP
MARKETING OPERATIONS & DIGITAL MANAGER

US / REMOTE
DECEMBER 2024 – JANUARY 2026

- Served as the primary owner of marketing technology infrastructure and operations for a health tech SaaS platform, building the systems, processes, and data foundations that connected marketing activity to revenue outcomes.
- Architected and managed HubSpot as the core marketing platform, designing lifecycle stages, behavior-triggered automation, segmentation logic, and email programs that moved prospects through the funnel with precision.
 - Owned the HubSpot and Salesforce integration end-to-end, governing field mapping, sync rules, and lifecycle alignment to maintain a single, reliable source of truth across marketing and sales systems.
 - Partnered with RevOps and Sales leadership to design and enforce lead routing logic, scoring models, and MQL definitions that improved pipeline visibility and conversion efficiency.
 - Established data governance standards across the CRM, implementing hygiene protocols, duplicate management processes, and operational documentation to ensure reporting accuracy and system integrity.
 - Strengthened attribution infrastructure and funnel reporting, giving stakeholders higher confidence in marketing performance data and enabling more informed investment decisions.

PRIMASUN (ACQUIRED BY RESMED)
DIRECTOR, DIGITAL MARKETING

US / REMOTE
JUNE 2023 – NOVEMBER 2023

Drove go-to-market strategy and digital marketing execution for a health tech joint venture, leading the launch of two consumer mobile apps from pre-launch through initial growth in a fast-moving, high-stakes environment.

- Owned end-to-end content and campaign strategy across acquisition, enrollment, and engagement, aligning marketing execution with product and business objectives from day one.
- Managed external PR and agency relationships, directing media strategy and securing meaningful earned media coverage across health and industry publications.
- Partnered directly with product development leadership to shape messaging, inform roadmap priorities, and ensure marketing and product were moving in lockstep through each launch phase.
- Built and ran a rigorous experimentation program across channels, A/B testing to identify winning tactics and continuously optimize enrollment and engagement performance.

HARNESS GIVING (HARNESS TECHNOLOGIES LLC)
MARKETING DIRECTOR

TAMPA, FL, US / HYBRID
OCTOBER 2021 – JUNE 2023

Led marketing strategy and operations for a B2B SaaS platform, owning the full funnel from demand generation and pipeline development through retention and expansion.

- Designed and executed account-based outreach programs in partnership with sales, leveraging intent data and behavioral signals to prioritize high-value accounts and drive upsell opportunities.
- Built and launched a net-new industry webinar series from scratch, creating an owned channel for prospect education, product adoption, and customer retention.
- Developed and implemented GTM strategies for new feature releases, translating user research and product insights into campaign messaging and channel execution.
- Established lead scoring and segmentation frameworks in collaboration with sales leadership, improving pipeline quality and marketing-to-sales handoff efficiency.
- Drove organic growth through content and SEO strategy, significantly expanding inbound reach and reducing dependence on paid acquisition.

BONUM HEALTH (FORMERLY OWNED BY TRXADE)
DIRECTOR OF MARKETING

TAMPA, FL, US / HYBRID
FEBRUARY 2019 – OCTOBER 2021

Led full-funnel marketing strategy for a health tech platform, owning demand generation, product adoption, and retention programs across a rapidly scaling user base.

- Built and executed multi-stage campaign strategies spanning acquisition, onboarding, and expansion, ensuring consistent messaging across each phase of the customer journey.
- Designed lifecycle and engagement programs that accelerated user activation and drove meaningful improvements in long-term retention.
- Partnered cross-functionally with product and sales to align marketing execution with business priorities, translating user behavior insights into campaign and content decisions.

ATLASSIAN (FORMERLY OPSGENIE)
DIGITAL MARKETING MANAGER

BOSTON, MA, US / HYBRID
JUNE 2018 – JANUARY 2019

Owned inbound marketing execution at a high-growth enterprise SaaS company, building and optimizing the digital programs that connected marketing activity to qualified pipeline.

- Designed and launched landing pages, marketing automation workflows, email programs, and social content to drive inbound lead volume and improve conversion quality.
- Partnered closely with sales and product marketing to align targeting, messaging, and lead handoff processes around shared pipeline goals.
- Established a test-and-learn operating model across all digital touchpoints, using performance data to continuously refine audience targeting, creative, and channel mix.
